eHealth Policy, Standards and Interoperability

As part of the Paris International Working Group Meeting, HL7 has designed a special packaged event to inform meeting attendees and attract eHealth policy influencers and implementers. Prominent French, European and international health and technology leaders have been invited to speak at this event.

These unique policy sessions and networking opportunities will take place from Monday, May 11 - Tuesday, May 12, and include the following:

- Welcome reception with informative poster-boards about standards and interoperability in Europe and beyond
- HL7 working group sessions addressing European eHealth themes
- Sunday night lecture: *Public Health, Interoperability and International Disaster Settings* (Ebola Case Study)
- An update on French eHealth and standards initiatives
- Perspectives on plugging into regional and global interoperability frameworks
- Lessons in transformative healthcare and interoperability, including FHIR
- Interoperability and private sector innovation activities in Europe

**FEE:** The policy sessions are included in the registration fees. If individuals wish to register for the policy sessions only, it is $500 (this fee includes the Sunday networking reception).
HL7 International’s May 2015 Working Group Meeting will be held at:

Lingering over pain au chocolat in a sidewalk café, relaxing after a day of strolling along the Seine and marveling at icons like the Eiffel Tower and the Arc de Triomphe... the perfect Paris experience combines leisure and liveliness with enough time to savor both an exquisite meal and exhibits at the Louvre. Awaken your spirit at Notre Dame, bargain hunt at the Marché aux Puces de Montreuil or for goodies at the Marché Biologique Raspail, then cap it all off with a risqué show at the Moulin Rouge.
