

David Hamill – PMO Director,
Health Level Seven International

Steven Posnack, M.S., M.H.S.
Director, Office of Standards and Technology

Agenda

- Introductions and Agenda Review
- Challenge Background
- Challenge Overview
- Panel of Judges
- How to Enter / Submission Requirements
- Timeline and Milestones
- Questions and Answers

The Current Issues

- Frustration by clinicians with the usability of C-CDA documents
- Difficulty in finding relevant clinical information
- Overabundance of rendered data sent to providers

The Challenge to You

- Develop a viewer that enables clinicians to efficiently review clinically relevant patient data from C-CDA documents by
 - Presenting requested data quickly and clearly
 - Providing section based view preferences
 - Providing filter and sorting functions
 - Being easy to use

Rendering Tool Webpage
