@WayneKubick
The Roundtable Concept

• Show and Tell in an Academic lecture setting; level playing field
• Infrastructure & user-facing products for providers, patients, researchers, payers, genomics, decision support, EHRs . . .
• Production or Pilot Use
• 15 Minute rapid-fire sessions in groups of 6-8
• Interactive voting for attendees: best of session, best of show
• Recordings and slides available on HL7 Education Portal

* Health Level Seven and HL7 are registered trademarks of Health Level Seven International, registered with the United States Patent and Trademark Office.
Today’s FHIR Applications

• Debi Willis: Founder and Chief Executive Officer, PatientLink Enterprises, Inc. - MyLinks
• Joshua Budman: Co-Founder and Chief Technology Officer, Tissue Analytics
• Leslie Lenert, MD: Vice President and Chief Medical Officer, Health Sciences South Carolina (HSSC) Clinical Data Repository

* Health Level Seven and HL7 are registered trademarks of Health Level Seven International, registered with the United States Patent and Trademark Office.
HL7 FHIR Solutions Showcasing Real-World Implementations

Next Roundtable:
Week of September 24
Washington DC
