RE:  Call for Nominations for Upcoming Work Group Co-Chair Elections

The work groups below will be conducting co-chair elections for the term beginning 1/1/23. **The nominations period is May 1 through June 15, 2022.** Nominations submitted after the deadline will not be accepted; however, write-ins will be accepted on Election Runner.

**NOTE:** Any individual who wants to run for election, including current and interim co-chairs, must be nominated (self-nomination is acceptable). Additionally, nominees are required to be either a current individual member or representative of a current organizational or Affiliate member (although not necessarily a voting member). Co-chairs are required to retain an active membership throughout their term. Failure to do so will result in the co-chair being denied access to the HL7 ballot desktop and not being listed as a co-chair on the website. Individuals who fail to comply will also be denied co-chair benefits, including the ability to update the NIB site.

**NOTE: THE HIGHLIGHTED SECTIONS REFLECT A RECENT CHANGE TO THE GOM, SECTION 08.02.07**

1. Written announcement is made to members conveying that the nominations period for work group co-chair position(s) has started. This communiqué serves as that announcement to all of the work groups listed above. Please forward all co-chair nominations via e-mail to NOMINATIONS@HL7.ORG no later than 5:00 p.m. ET Wednesday, June 15, 2022. Please specify the work group for which you are nominating a candidate.

2. An incumbent Work Group co-chair seeking reelection shall include in their nomination submitted to HL7 HQ a statement reaffirming the ability to fulfill their duties.

3. All other nominees must submit a statement from an existing WG co-chair and another member of the WG in question supporting their nomination and stipulating that they are an active member of the WG question and have affirmed they have the capacity to fulfill the co-chair duties as required if elected.

4. A list of candidates will be announced to the membership via email. At least two candidates should be nominated for each open position. Note that co-chairs serve two-year terms and may be re-elected without limit. When possible, co-chair terms should be staggered to ensure continuity of leadership. Candidates will be asked to supply a brief (one paragraph or less) statement of their credentials, reasons and vision for seeking election to the work group for which they are nominated.

This document and a list of co-chairs up for re-election can be accessed online at: [Elections | HL7 International](Elections | HL7 International).
