HL7 Announces QuadraMed Corporation Becomes Newest Benefactor

Ann Arbor, Mich.—June 21, 2006—Health Level Seven, Inc. (HL7) today announced that QuadraMed Corporation (Amex: QD) has become the organization’s latest HL7 benefactor member. As an HL7 benefactor member, QuadraMed provides financial support to HL7 for development of industry-critical standards and products.

QuadraMed joins 32 other HL7 benefactor members including: Accenture; Centers for Disease Control and Prevention; Duke Clinical Research Institute (DCRI); Eclipsys Corporation; Eli Lilly & Company; Epic Systems Corporation; the Food and Drug Administration; GE Healthcare Information Technologies; GlaxoSmithKline; Guidant Corporation; IBM; Intel Corporation; InterSystems Corporation; Kaiser Permanente; McKesson Provider Technologies; Microsoft Corporation; Misys Healthcare Systems; NHS Connecting for Health; NICTIZ National Healthcare; Novartis; Oracle Corporation; Partners HealthCare System, Inc.; Pfizer, Inc.; Philips Medical Systems; Quest Diagnostics Inc.; Science Applications International Corporation; Siemens Medical Solutions Health Services; Solucient, LLC.; St. Jude Medical; the U.S. Department of Defense, Military Health System; the U.S. Department of Veterans Affairs; and Wyeth Pharmaceuticals.

“We are delighted to welcome QuadraMed Corporation as an HL7 benefactor,” said Chuck Meyer, HL7 Chair. “QuadraMed Corporation’s approach to integrated clinical, financial and health information management systems will significantly increase HL7’s domain expertise in the linkage of clinical information to financial and administrative transactions so important to healthcare enterprises. The support of our benefactors is critical in enabling HL7 to continue its work toward interoperability in healthcare’s clinical and administrative systems, not only in the US, but worldwide.”

(more)
“QuadraMed is proud to be able to support the mission of HL7 as a benefactor,” said Jim Klein, QuadraMed’s Executive Vice President and Chief Technology Officer. “We believe that the work of HL7, particularly its Version 3 initiatives, is critical to realizing the full potential of information technology in healthcare. We are working hard to include HL7’s principles of semantic interoperability in all of our product designs.”

**About QuadraMed Corporation**

QuadraMed Corporation advances the success of healthcare organizations through IT solutions that leverage quality care into positive financial outcomes. As evolving reimbursement scenarios challenge healthcare organizations to leverage quality of care into payment, clients committing to QuadraMed’s care-based solutions can realize market leading financial performance. Using QuadraMed’s end-to-end solutions to optimize the patient experience and leverage quality of care into payment, our clients can receive the proper reimbursement, in the shortest time, at the lowest administrative cost. Behind our products and services is a staff of almost 600 professionals whose experience and dedication to service have earned QuadraMed the trust and loyalty of customers at approximately 2,000 healthcare provider facilities.
