Dear HL7 Member,

The Clinical Quality Information Work Group has asked me to forward you a set of recommended corrections and modifications to the "**HL7 CDA R2 Implementation Guide: Quality Reporting Document Architecture Category I (QRDA I), Release 1 - STU Release 5.1 - US Realm**" (HL7 QRDA I R1 STU R5.1) published as **CDAR2_IG_QRDA_I_R1_STU5.1_2018DEC_2019OCT_with_errata**.
