Minutes
HL7 Immunization User Group
June 14, 2016
2:00 PM ET

NOTE: Minutes were not recorded during time of call. They are being put together from memory one month after that call.

General Updates:
- Fran Johnston has taken a new position and is no longer one of the four co-chairs. Group is now looking for volunteers to take the empty co-chair position.
- Immunization focus at the next HL7 work group meeting in Baltimore. Eric Larson updated the group on plans to have a special two-day immunization focus as the next HL7 meeting. Hoping to get a good showing from the immunization community.

SISC – Standards and Interoperability Steering Committee – Mary Woinarowicz
- Gave update on SISC discussion on whether or not to ballot the Immunization guide at HL7.

IIS Interoperability Testing Project Update – Nathan Bunker
- Measurement for Assessment and Certification Advisory Workgroup (MACAW) is making good progress on setting standards for IIS assessment and will meet next week for a face-to-face meeting in Atlanta.
- External partners (such as EHRs) should expect this process to continue to move IIS closer together and better aligned with standards.

Engaging with EHRs – Nathan Bunker
- Welcomed new EHR members to group:
  - Cerner
  - PCC
  - NextGen
  - Epic
- Asked EHR vendors to:
  - Introduce themselves
  - Tell the group what works well now
  - Say what would we could do better at

Discussed the use of MSH-22 Responsible Sending Organization
- Presented on the use of the segment.
- Asked group how they are currently implementing it or plan to implement it.
• Gave direction on how to be backwards compatible.

Next Meeting: Thursday August 11th 2:00 PM ET
