Agenda Item	Discussion/ Conclusion	Actions/Evaluation
Introductions	Sorry about the call in number. It was changed by the conference service at the last minute.	Establish call in number through HL7
Coded Chief Complaint List	Laura Heermann Langford and Shelly Bowen presented recent work on encoding a set of standard chief complaints. Discussion ensued about whether CC is in the patient's own words or a reason for visit assigned by the ED Care Provider. It was agreed that this is important work but not how to finalize	<ol style="list-style-type: none"> 1) Don Kamens will outline a summary paper to establish the current state of the art 2) LH and Matt Weintraub will connect to get the Wellsoft CC list 3) Further discussion to be scheduled.
EDIS – Functional Profile version 2	Peter Park from the DOD has funding to update the EDIS-FP, work with the EHR WG to make sure latest ED related functional requirements are included, and add DOD related requirements. EDIS FP version 1.0 : http://xreg2.nist.gov:8080/ehrsRegistry/faces/view/detailFunctionalProfile.jsp?id=urn:uuid:de55973d-63a9-46c5-bc29-8f3a0fdf8d9a	Next steps to be determined and assignments given
