

Normative Edition 2014

Content Approval and Submission Schedule

This calendar presents important dates for approval and submission of content for the 2014 Normative Edition. Please note approval of content is contingent upon the submission of a publication request form and its approval by the TSC. The Publication Request Template can be found on the HL7 web site under Resources > Templates > [Publication Request Template](#).

The dates in this schedule key off of the January WGM. The first deadline falls nine weeks following the WGM. It is our hope to have NE 2014 finalized and posted for distribution in May.
