

## Open Comment Announcement

**Monday, February 16, 2004**

HL7 Electronic Health Record, Special Interest Group has released a pre-ballot draft of the EHR Function Model. The EHR Collaborative will host the following open sessions to gather public reaction to the evolving EHR standard at the 2004 Annual HIMSS Conference & Exhibition (February 22 -26 - Orlando, FL).

Monday	February 23	2:00 - 3:30 p.m. ET	Room S 230E
Tuesday	February 24	3:30 - 5:00 p.m. ET	Room N 310E
Wednesday	February 25	11:00 - 12:30 p.m. ET	Room S 230E
Thursday	February 26	11:00 - 12:30 p.m. ET	Room N 310E

The sessions will be facilitated by Donald T. Mon, PhD - Vice President, Practice Leadership American Health Information Management Association (AHIMA). Informational material will be available on-site at the sessions. Additional related documents are down-loadable from the EHR SIG section of the HL7 website. Additional information about the HIMSS conference can be viewed from the HIMSS website: <http://www.himss.org> .
