Crack the FHIR R4 exam with confidence

Overview

The Comprehensive HL7 FHIR Proficiency Exam Preparation Course is a four-week, asynchronous course that will prepare participants for taking the HL7 FHIR R4 Proficiency Exam. It will provide recorded lectures, reading materials, 100 quiz questions across course and a 50-question final practice test to simulate the real exam.

At the end of the course, participants will:

- Obtain a solid knowledge of the concepts required to pass the HL7 FHIR R4 Proficiency Exam
- Understand the test format and types of questions found in the exam
- Apply appropriate test taking strategies to deduce the correct answers in the exam
- Practice thoroughly for exam by taking 150+ objective quiz questions

Web-based training

- HL7 expert instructors who are working professionals will help you step-by-step
- Tutors will assist in answering questions and grading exams
- Each module will consist of recorded lectures, reading material and quizzes

Prerequisites

- Though not mandatory, it is good to have basic FHIR knowledge

Disclaimers

- All activities are quizzes/objective assessment. Course does not have any hands on/subjective exercises
- This course is not a substitute for any existing HL7 FHIR courses
- Taking this course does not guarantee passing of proficiency exam

How to Enroll

- Visit: www.HL7.org/training/fhir-prep.cfm
