

# The Current State of Interoperability

April 26, 2016

Micky Tripathi

# **Five Enablers**   **Five Risk Areas**

**Threat of Government  
regulatory action**

**Government  
regulatory action**

**FHIR and Apps**

**FHIR hype**

**Growth of Networks**

**MU Stage 3**

**Demand....finally**

**Commercial payer  
sluggishness**

**EHR availability**

**State governments**

**Thank you!**
